## ASIAN STUDIES ASSOCIATION OF AUSTRALIA

### INDEPENDENT AUDIT REPORT

We have audited the accompanying financial report, being a special purpose financial report, of the Asian Studies Association which comprises the Statement of Financial Position as at 30 June 2017 and the Income and Expenditure Statement for the year then ended, the accompanying notes and statement by the management committee.

#### ***Management's Responsibility for the Financial Report***

##### *Management's Responsibility for the Financial Report*

Management of the entity is responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation is appropriate to meet the financial reporting requirements of the entity's constitution and is appropriate to meet the needs of the members. Management's responsibility also includes such internal control as management determine is necessary to enable the preparation of a financial report that is free from material misstatement whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with the Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

Our audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial reports. The procedures selected depend on the auditor's judgment, including the assessment of the risks or material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Independence***

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

#### ***Qualification***

As is common for organisations of this type it is not practicable for the association to maintain an effective system of internal control over donations, subscriptions and other fund raising activities until their initial entry in the accounting records. Accordingly, our audit in relation to such income was limited to agreeing the amounts recorded in the financial statements to the supporting records provided by the Association's Treasurer.

#### ***Qualified Audit Opinion***

In our opinion, except for the affects of such adjustments, if any, as might have been determined to be necessary had the limitation referred to in the qualification paragraph not existed, the attached financial statements present fairly the financial position of Asian Studies Association of Australia as at 30 June 2017 and the results of its operations for the year then ended, in accordance with the provisions of the Associations Incorporations Act 1981 Victoria and accounting policies described in Note 1 to the financial statements

***Basis of Accounting and appropriateness for purpose***

Without modifying our opinion, we draw attention to the fact that the basis of accounting has been determined by the management of the entity. The financial report has been prepared to assist the entity to meet the financial requirements of the Associations Incorporation Act 1981 Victoria . As a result, the financial report may not be suitable for another purpose.

Signed this 23rd day of January 2018.
