

# Join our Researcher Network

**CIRCA is expanding its network of CALD Researcher Consultants.**

**We are recruiting researchers with these language skills to join our network:**

**THAI / ไทย**

**KOREAN / 한국인**

**CANTONESE / 廣東話**

**MANDARIN / 普通话**

**HINDI / हिंदी**

**VIETNAMESE / TIẾNG VIỆT**

**ARABIC / العربية**

**PUNJABI / ਪੰਜਾਬੀ**

**Who are we?** The Cultural and Indigenous Research Centre, Australia ([CIRCA](#)) was established in 2000 and is an industry leader in research and evaluation with culturally and linguistically diverse (CALD) and Aboriginal and Torres Strait Islander communities. We specialise in applying culturally sensitive approaches.

**CIRCA work categories which may be available to researchers for work in YOUR own cultural community:**

- |                            |                     |                        |                           |
|----------------------------|---------------------|------------------------|---------------------------|
| ▪ Qualitative Interviewing | ▪ Materials Testing | ▪ Language Translation | ▪ Participant Recruitment |
| ▪ Focus Group Facilitation | ▪ Quantitative Work | ▪ Reporting            | ▪ Community Ambassador    |

**We are looking for researchers with the following skills and experience:**

- Bilingual in Arabic, Cantonese, Hindi, Thai, Punjabi, Korean, Mandarin, Vietnamese and other Asian languages (written and verbal)
- Culturally appropriate interviewing and focus group facilitation skills and experience
- Connections with many people within your own cultural community
- Report writing skills
